Apostolic Salutations

Pastor Autumn and I are elated that you are here as our special delegate at the Breakthrough Global Summit 2026: The Sound of the Prevailing Kingdom. This is a high-level meeting where we will convene with the Sovereign Lord and His deputized agents to gain apostolic strategy, prophetic intelligence, and spiritual momentum. You will receive dynamic impartation to shift the trajectory of your life. You will be empowered to answer the mandate on this generation to fulfill the call of Christ to establish His kingdom dominion in the world. This BREAKTHROUGH has been ordained by God just for you!

**Then the three companies blew
the trumpets and broke the pitchers
they held the torches in their left hands
and the trumpets in their right hands
for blowing—and they cried,
“The sword of the Lord and of Gideon!”
And every man stood in his place all
around the camp; and the whole
army ran and cried out and fled.
—Judges 7:20-21(NKJV)**

In His Majesty's Love & Service,

**Apostle Randall Furlow
Presider & Chief Apostle
and
Pastor Autumn Furlow**

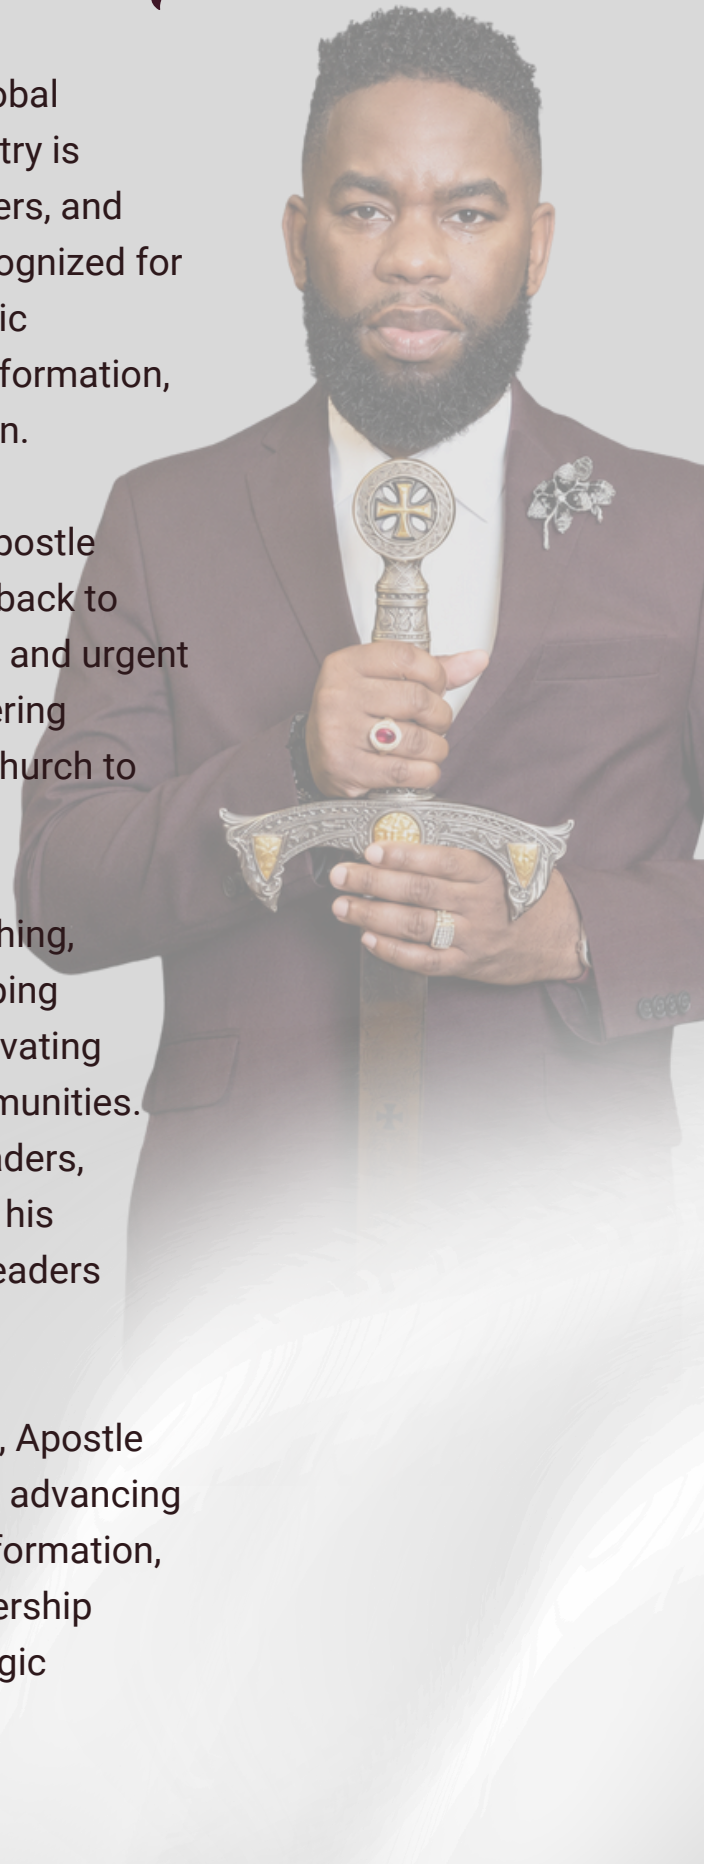

About the Host

Apostle Randall C. Furlow is an apostolic leader, global communicator, and Kingdom architect whose ministry is dedicated to equipping the Church, developing leaders, and advancing the Kingdom of God across nations. Recognized for his theological depth, prophetic insight, and apostolic leadership, he serves at the intersection of spiritual formation, leadership development, and societal transformation.

With an unwavering commitment to biblical truth, Apostle Furlow calls individuals, ministries, and institutions back to God's original design. His message is both timeless and urgent—awakening believers to spiritual maturity, empowering leaders for Kingdom influence, and mobilizing the Church to transform culture through the power of the Gospel.

His ministry is distinguished by clear apostolic teaching, prophetic precision, and practical leadership, equipping believers to fulfill their divine assignment while cultivating healthy churches, strong families, and thriving communities. Whether ministering to congregations, executive leaders, educational institutions, or international gatherings, his mission remains the same: to see Christ revealed, leaders equipped, and nations impacted.

As the Founder and President of **R.C. Furlow Global**, Apostle Furlow leads an international ministry committed to advancing apostolic doctrine, prophetic equipping, leadership formation, and Kingdom innovation through conferences, leadership intensives, educational initiatives, media, and strategic partnerships around the world.

He is also the visionary behind a growing family of Kingdom initiatives, including:

- **Ekklesia Global Worship Assembly** — a multi-campus apostolic ministry committed to Christ-centered worship, discipleship, and Kingdom culture.
- **Ekklesia School of Ministry** — a leadership institute equipping emerging and established ministry leaders for effective Kingdom service.
- **Natsar School of the Prophets** — an intensive prophetic training and mentorship community focused on developing mature prophetic ministry.
- **Tephillah Institute** — a ministry dedicated to cultivating intercessors, prophetic watchmen, and prayer movements.
- **Ekklesia Global Churches, INC.** — an international apostolic network providing leadership development, relational accountability, and spiritual covering to churches and ministry leaders across multiple nations.

In 2017, Apostle Furlow was ceremonially affirmed into the office of Apostle and consecrated as Bishop by his spiritual father, Bishop Tudor Bismark, together with a presbytery of apostles, prophets, and bishops.

Beyond the pulpit, Apostle Furlow is passionate about shaping the future of Christian leadership through education, strategic thinking, innovation, and emerging technologies. His expanding work reflects a commitment to preparing the Church not only for today's challenges but for tomorrow's opportunities—raising leaders who faithfully engage culture while remaining anchored in biblical conviction.

He serves in ministry alongside his wife, **Pastor Autumn-Marie Furlow**, co-founder and apostolic partner in every ministry endeavor. Together they share a passion for God's presence, the restoration of families, the strengthening of leaders, and the advancement of Christ's Kingdom throughout the earth. They are the grateful parents of four children.

"Our assignment is not merely to build churches—it is to raise Kingdom leaders, restore God's divine blueprint, and leave generations better equipped to reveal Christ in every sphere of influence."

ABOUT NATSAR

The Natsar School of the Prophets is a comprehensive, prophetic intensive that is meant to elevate its participants beyond a cursory level of understanding God's prophecies. More than an activation in the gifts of the Spirit, this training module incorporates high-level prayer, spiritual academics, & incubation in the womb of God which are meant to produce potent prophetic operations in the earth. Investigating the origin and tracing the roots of God's prophetic institution will render much of what we consider "prophetic" impotent and inept. Learning God's mind and blueprint concerning this all-important ministry is paramount to cooperating with Him in His prophetic matters.

EKKLESIA GLOBAL

OUR VISION

Ekklesia Global's vision is to be a collaborative engaged in a multi-generational move to bring all things back to the Almighty's intention and purpose – for the Church, then for the world.

The manifestation of this will enable the Body of Christ to be raised to the fullness of the stature of Christ, resembling the image of the fully matured Man – Christ Jesus, and then be able to facilitate the fullness of God's inheritance in the saints who are in the Kingdom of Light (Ephesians 4:11-16; Galatians 4:1-7).

OUR PURPOSE

Ekklesia Global endeavors to be an organization that is established on both the biblical and revelatory premises of God.

Built on the foundation of the Apostles and Prophets (Ephesians 2:20), it is our desire to facilitate the perpetuation of the universal and institutional church by adhering to the truth of God, the callings of God, and the establishment of the Kingdom of God in the earth.

OUR MISSION

Ekklesia Global's Mission is to fulfill the great commission of Matthew 28:19-20. In order to do that, there has to be the establishment of God-ordained leadership rightly aligned with their calling and purpose and then the commissioning of those leaders to execute their callings (Romans 10:12-15; Matthew 9:38).

We endeavor to see the universal and institutional Church constructed according to the Lord's blueprint on the local, city-wide, regional, national, international, and global levels. It is our vision to build ministry prototypes that can be replicated throughout the world, engaging the systems and spheres of society and establishing the dominion of the Kingdom of God in every place.
